Eli's Place

Before I tell you about Eli, I want to sincerely thank the Board members, Marian and Michael for the honour you have given my family in naming the newest addition to SRS Benetook Farm "Eli's Place." We are deeply moved. Eli would be absolutely thrilled to have a space named after him at the Farm.

My grandson Eli was born with multiple severe and complicated cardiac conditions which also contributed to further complications with his lungs. When a heart and double lung transplant was no longer an option, time became more precious, and every moment with him held a deeper meaning. We were blessed with thirteen beautiful years. Years filled with love, laughter, courage, and memories that we will carry with us for the rest of our lives.

Benetook Farm was always Eli's favourite place to visit. In fact, it became the place where most of our family events were held. We always gave Eli a choice of where he wanted to celebrate, but we always knew what he would choose, Benetook Farm. Birthdays, Easter, his Make-A-Wish party, or simply spending time together, Eli's suggestion was always the same.

Kristin, Caitlin (Eli's Mum) and Eli

The Farm was a safe place for him, a place free from judgement, where he could move, explore, and enjoy everything at his own pace. He was even lucky enough to visit after hours, which quickly became his favourite time. That was when he truly relaxed, tried new things, and let his joy shine through.

Whether he was steering the golf buggy, climbing the fort tower, or swinging on the swing, these might seem like simple things to us, but for Eli they were huge achievements. The smile on his face and the pride he felt in those moments are memories I will hold close to my heart forever.

Eli and his Uncle Tyler

But what stood out most about Eli was the way he made people feel. He made you want to be a better person. He reminded you to slow down, to appreciate the simple joys, and to cherish the people around you.

His life may have been short, but his impact was anything but.

That is why “Eli’s Place” means so much to us. It isn’t just a space. It’s a reflection of who he was: warm, inviting, accepting, and full of possibility. A place where others can experience the same sense of safety, freedom, and joy that Eli felt whenever he visited the Farm. A place where his spirit can continue to be felt and where his story will live on.

Thank you for creating a space where Eli felt safe, accepted, and free. Thank you for recognising the joy he found there, and for giving that joy a place to continue. Knowing that other families will laugh, explore, and make memories at “Eli’s Place” brings us comfort beyond words.

This dedication means more than we can ever fully express. It ensures that Eli’s spirit, his courage, his happiness—will always be part of the Farm he loved so much.

From my family to yours, thank you for keeping Eli’s light shining.

-Kristin Andrews- Eli's proud Nanny

VISION

SRS creates dynamic service direction, investing in quality home supports and life opportunities.

MISSION

To deliver person centered and creative supports that assist people with disabilities and aged care to reach their desired goals.

VALUES

SRS will function as an organisation which considers consumer outcomes in terms of maximising control of their own lives, as the key criteria by which all services are developed, delivered and assessed;

COMMITMENT

COURAGE

HONESTY

INCLUSIVENESS

INNOVATION

MESSAGE FROM OUR CEO

What a positive note we once again are ending this year as we reflect on SRS's collective accomplishments; acknowledging the challenges we've overcome, which included the contribution that everyone linked with and to SRS that make it the amazing community organisation we are all proudly connected with.

The word that comes to mind which encapsulates the essence of the year is "systems" Over the past 12 months, SRS has implemented more new systems than in the last two decades combined. These include significant platforms and tools in finance, rostering, client management, compliance, time and attendance tracking, security, assistive technology and reporting. It's been a steep learning curve for many, but through collaboration, patience, and perseverance, we've all made remarkable progress and they are all critical key elements to maintain our strong position in a competitive market.

Despite the increasing number of NDIS and Aged Care providers entering the Mildura market, we have continued to achieve a modest surplus in revenue across all divisions. This is a testament to the strength of our dedicated trained staff, our reputation for quality, and our unwavering commitment to providing exceptional services to our participants who are our key focus in everything we plan now and into the future.

A significant portion of our surplus revenue has been allocated to: Building new homes for our community; upgrading and maintaining our existing homes; and expanding our fleet to ensure that both staff and participants have access to safe, high-quality while ensuing our homes reflect in the community as well-maintained homely living environments.

As leaders in accommodation, we are proud of the homes we provide and the impact they have on the lives of our participants. This year, we were elated to see our ALDI ROBUST SDA build nominated as a finalist for the 2025 Northern Victorian Regional Awards by HIA, following our previous success with the Deakin Resort, which was nominated for national awards after winning the Victorian category.

— “
We are excited to see this project coming to life as another unique complex.

To achieve these outcomes is a true team effort that encompasses the excellence of the Garraway Developments team which take our vision and ideas and turn them into reality.

Our new build at 900 Fifteenth Street faced a minor delay due to compliance regulations, but construction is now well underway with a completion date mid-2026. We are excited to see this project coming to life as another unique complex.

The success of these projects would not be possible without the generous support of our local businesses and services. A special thank you goes to those who contributed to the Murrayland Apartments refurbishments, where we received an overwhelming response to our call for donations, significantly reducing our overheads and allowing us to budget the completion of the project more efficiently.

MESSAGE FROM OUR CEO

One of the key strengths of SRS is our dedicated staff. This year, we've experienced minimal turnover, and the solidarity and positivity within the team have never been stronger. Our key leaders continue to provide guidance and support, ensuring that we remain focused on our mission and values.

We are immensely grateful to every staff member for their hard work, commitment, and positive attitude. The success of SRS is directly attributable to the excellence and dedication of the people who make it all happen day in and day out. Your contributions are what make SRS the outstanding organization it is today.

There are many things that make SRS the amazing organisation they are today. Behind the scenes, our Board of Management has been instrumental in shaping the direction of SRS. I am fortunate to receive mentorship, support, and encouragement from such a dedicated group of individuals. As volunteers, their commitment to the organization is remarkable, and I extend on behalf of everyone connected with SRS our sincere thanks to each and every board member for their unwavering dedication.

As we move into the new year, we remain committed to our vision and strategic goals. The year ahead will be one of continued growth, where we will focus on maintaining the high standards we have set for ourselves while seeking out new opportunities with a can-do attitude.

We will continue to provide outstanding services and life-changing opportunities for the people we support, ensuring that SRS remains a beacon of excellence in the community. We look forward to the year ahead with confidence and enthusiasm.

In conclusion, I would like to extend my sincere gratitude to everyone who has contributed to the success of SRS.

A special thank you to the managers who collectively complement each other's strengths creating a really dynamic team. Thank you once again for your dedication, commitment, and for making SRS a place we can all be proud of.

IN TRIBUTE

Forever part of our story

This year we said farewell to two valued members of the SRS community, whose commitment, service and contribution helped shape our organisation and the people we support.

Jill Joslyn

Jill served as a dedicated member of the SRS Board for more than 20 years, from 1996 to 2017, and played an important role in guiding the organisation through periods of growth and change. Her commitment, professionalism and genuine care for the community will always be remembered.

Mick Joslyn

Mick was the Respite Manager at SRS from 2008 to 2013 and made a lasting impact through his leadership, warmth, and sense of humour. His ability to find the lighter side, even on the most challenging shifts, brought comfort, connection and encouragement to staff and clients alike.

Together, Mick & Jill made an extraordinary contribution to SRS.

BUILDING UPDATES

Pictured:
Don Seward – SRS Board Member since 2001

After a brief compliance related delay, construction at 898-900 Fifteenth Street is well underway and on track for completion in mid-2026. We're excited to see this unique project progressing.

We are thrilled to announce that our new build at 898- 900 Fifteenth Street, Mildura will be named DON in recognition of Don Seward's outstanding dedication and commitment to our organisation.

Don is a valued member of our volunteer Board of Management for an incredible 23 years and this is our way of celebrating his ongoing contributions.

As part of our commitment to responsive, community based housing solutions, we reached out to our trusted network for assistance and the response has been greatly appreciated. From spare lounges and appliances to building materials and discounted services, every contribution has helped bring these units closer to becoming warm, welcoming spaces.

Thank you to everyone who supported our recent campaign seeking donations to help furnish eight new essential housing units for community members in need of a safe, stable home.

Your generosity supports real people in our community and plays a vital role in creating safe, independent living options for those who need them most.

Thank you again for your kindness, willingness to support, and for sharing our call for help throughout the community. Together, we are building stronger, safer futures. Murray Lands Apartments are set to open in November 2025 offering independent accommodation options.

BUILDING UPDATES

Our latest SDA build, in partnership with Garraway Developments, has been awarded the

WINNER
for Specialised Housing at the
2025 HIA Victorian Regional Awards!

This collaborative approach is what truly sets our accommodation apart in Sunraysia. We're proud to build and renovate homes that are thoughtfully tailored to meet the unique needs of each participant.

PROGRAM UPDATES

Our Short Term Accommodation (STA) services have officially been renamed to Respite Specialist Services (RSS).

Our RSS services are flourishing, and we take pride in the growth and sense of community emerging at both Deakin Resort and John Street.

With each stay, participants enhance their independent living skills, forge lasting friendships, and immerse themselves in meaningful, unforgettable experiences.

We extend our heartfelt gratitude to all families, caregivers, and participants for their ongoing support and trust in our team.

In addition to these exciting programs, we still provide our quarterly advocacy group, school holiday program, and after-school program. These initiatives create even more chances for participants to connect, learn, and grow.

We take pride in offering a variety of programs that address the diverse interests and needs of NDIS participants. We eagerly anticipate the opportunity to develop even more avenues for enjoyment, connection, and personal growth in the future.

This year, SRS took on valuable feedback from participants and families and launched two separate school holiday programs: Sensory Stars and All Stars Adventure.

Sensory Stars is designed to provide a calm and engaging environment, offering activities that gently stimulate the senses in a soothing and structured way.

All Stars Adventure delivers a dynamic and inclusive, action-packed experience, encouraging children to explore nature, make new mates and have fun along the way.

PROGRAM UPDATES

Benetook Farm & the General Store experienced an exciting year. The \$10,000 MRCC grant was allocated for the purchase of new Ninja Play equipment. The state-of-the-art play equipment encourages physical activity and creativity among young visitors, making it a perfect complement to the farm's existing attractions.

The awesome David Trood & Costa Georgiadis of ABC's Gardening Australia fame recently visited Midura on a mission to collect carp for 20 Fruit Trees being planted at 'Pam's Garden' in Naracoorte.

The Farm Crew had a great day fishing for carp, turning an ordinary day into an extraordinary experience.

PROGRAM UPDATES

In 2025 our Aged Care team broadened our services to include the areas of Wentworth, Buronga, and Gol Gol. There has been an influx of participants from these regions that have transitioned their services over to us, and we are excited to welcome even more individuals to SRS.

SRS has launched a new day program for Aged Care participants — SRS Connect. This program is designed to support connection, socialisation and exploration within a supportive, engaging environment.

Held every Wednesday from 10am to 2pm, SRS Connect offers a variety of activities and regular excursion days. Pick-up and drop-off services are provided, making it easier for participants to join in and enjoy spending time together.

We've already seen strong growth in participation and meaningful connections in this short time, and we plan to expand the program to additional days in the future.

PROGRAM UPDATES

This year has been an exciting one for UNLIMITED, with plenty of new additions, milestones and memorable moments to celebrate.

Unlimited has settled comfortably into its new location on Deakin Avenue, a move that has opened the door to a variety of engaging and innovative programs. One standout favourite is the Coffee Club adventure, where participants research bus timetables on their computers, catch public transport to enjoy a coffee at a chosen spot, and then return while exploring the community along the way. It has quickly become a highlight, building independence, confidence and community connection.

We also introduced a brand-new VR headset to the space, opening up a world of virtual experiences for our participants. From exploring new destinations to interactive games and calming mindfulness apps, the VR headset has become an instant hit and is already enhancing fun, learning and social connection.

To make our Thursday cooking adventures even more accessible, we added a new accessible table in the kitchen area. This upgrade is supporting safer, easier and more inclusive mealtimes, fostering collaboration, independence and plenty of delicious outcomes.

To finish the term on a high, our Cinema Club wrapped up with a special outing to the movies—complete with popcorn, laughs and great company.

There is always something happening at UNLIMITED, and we look forward to continuing to share these experiences as our program grows and evolves.

Your voice and support make a difference.

Leading the way in Advocacy

Through the Consumer & Quality Care Advisory meetings SRS continues to strive to offer services that meet the needs of participants and their carers.

LEADING THE WAY

Peta and Nick have been out and about across Wentworth and Buronga, representing SRS at Connections That Count, the Wentworth Show, and other local community events.

They joined forces with local service providers to promote and build awareness of SRS services in NSW.

SRS was pleased to assist Outcomes Connect, a new Behaviour Support provider in the region, in delivering an educational session for local service providers and support coordinators.

The session focused on building understanding of Positive Behaviour Support (PBS) and shared practical strategies for supporting individuals with complex needs.

FUNDRAISING & TENDERS

A heartfelt thank you !

We would like to extend our sincere appreciation to everyone who attended the Pizza Cafe fundraising evening in October 2024 and contributed to its tremendous success!

Your generosity has truly made a significant impact. Thanks to your support, we now have two new vehicles joining our fleet.

These will help our participants engage with the community and continue pursuing their passions!

SRS was successful in securing funding through the All Abilities Tender, receiving approximately \$9,500 to enhance accessibility and inclusion within our fitness and wellbeing spaces.

This funding has enabled SRS to create an gym space with accessible equipment, supporting participants of all abilities to engage safely and confidently in physical activity.

These upgrades have strengthened SRS's commitment to creating inclusive, adaptive and high quality fitness environments where all participants can achieve their personal wellbeing goals.

Fundraising Twilight Market

In March 2025, SRS held the Fundraising Twilight Market at Benetook Farm. This event was a tremendous success, raising over \$4,000 to help our participants reach their goals.

The evening featured wonderful local boutique stalls, live music, a dance performance by the SRS Rhythmic Squad, a scavenger hunt for children, a BBQ dinner, face painting, and hair braiding. The night concluded with the lucky door prize winner, who received a two-night stay at the Oak Glenelg Plaza Pier Suites.

We are incredibly grateful for the overwhelming support from our community, vendors, and volunteers, all of whom contributed to making the Twilight Market an unforgettable experience.

The funds raised will go towards enhancing our programs and providing more opportunities and resources for our participants. We look forward to organising more events like this in the future.

SUPPORTING SUNRAYSLIA

We're proud to support our community by providing free bus transport to and from the Hothouse for the Hot Wheelies Program—making participation easier, more accessible, and inclusive for everyone.

Mark and Michael each received a walker donated by SRS.

Mark said the walker would significantly aid him while awaiting knee replacement surgery.

Michael appreciated the walker's quality and was eager to call his friend to tell him about the walker with mag wheels.

GOOD NEWS STORIES

Our support coordination team love helping our participants achieve their goals, such as Jesse pictured here.

Jesse has patiently waited for over a year for his new mobility scooter. This means that Jesse is able to attend his Lime Therapy appointments on his own and do a little shopping along the way with limited supports. This has been a long term goal for Jesse.

VOLUNTEERS

We would like to express our sincere gratitude to all of our wonderful volunteers. Your selflessness, commitment, and hard work have left a lasting impression, and we genuinely appreciate the time and energy you've devoted to supporting SRS!

CUSTOMER TESTIMONIALS

“

Kevin has a high amount of support hours and SRS were able to assist with providing reliable supports at a short notice, from intake to implementation of supports the entire SRS team have been engaging, professional and always take their service to the next level.

We appreciate how smooth the transition has been for the SRS support team to come into our home, always making sure Kevin is included in every aspect of his care and making him feel comfortable. It's obvious that It's not just a job to the SRS team.

From the very first contact, the process of engaging SRS services for my daughter, Bella was incredibly easy. SRS made me feel at ease right away. The process was smooth, easy and informative.

I was initially hesitant about using a Support Worker, but now that i've experienced it, I can confidently say it was the best decision for Bella and our family.

I would absolutely recommend SRS to other families.

Customer TESTIMONIALS

“

My husband and I recently had your cleaning team come and clean our house for "an end of lease" clean in preparation for selling it.

The professionalism with which we were treated and the way the work was completed has left us totally satisfied. Rosie team leader and the workers we met when we attended, coincidentally, I can only praise.

This is the third time we have used SRS cleaning and have been very pleased with the outcome each time, highly recommending them to others.

Thank you SRS. Please give my feedback to Rosie and her team.

Hello Marian and Ben,

I wanted to reach out and extend my heartfelt thanks and congratulations for the breathtakingly exceptional work you have completed at the SRS Aldi property. The quality and beauty of your work is truly unparalleled and incomparable to anything else I have ever seen or known of.

Your dedication and attention to detail have created a home that is nothing short of a masterpiece. I believe your efforts deserve to be recognised, and we should nominate you for an award to honour the lengths you have gone to and the remarkable home you have created.

It has been an absolute pleasure working with both of you to bring this dream to life.

PARTICIPANT MOMENTS

TRAINING & DEVELOPMENT

SRS is committed to investing in a skilled workforce to ensure we deliver the highest quality care to our participants.

In January 2025, we organised a successful ASL Training Day for our Active Support Leaders.

This session offered important updates on the recent changes in NDIS legislation and examined strategies to improve our service delivery throughout the year.

We are eager to build on this momentum to guarantee the highest quality of support for those we serve.

As a testament to this commitment, we have invested in Therapeutic Crisis Intervention (TCI) training for our teams that work with participants facing complex challenges.

SRS invests in qualified staff and encourages continued learning.

Current courses SRS offer:

Certificate III in Individual Support

Certificate III in Horticulture

Certificate III in Parks and Gardens

ORGANISATION EXCELLENCE

NEW client care platform

We're excited to share that CareVision is now our new client care platform across all of SRS. A big congratulations and thank you to our entire SRS team - everyone's efforts have helped make the transition smooth and successful.

CareVision will support us in delivering the highest quality of care, while making it easier for staff to communicate and work together. Most importantly, it helps ensure participants receive the very best support everyday.

We are thrilled to highlight several significant accomplishments that highlight our ongoing commitment to safety, compliance, and the continuous growth of our team.

- The successful outcome of our recent NDIS audit, which confirms our adherence to the NDIS Practice Standards. This achievement reflects our commitment to delivering high-quality, person-centered support while maintaining best practices in service delivery.
- Furthermore, we have successfully completed our Aged Care Quality Audit, reinforcing our dedication to excellence in Home Care services.

These milestones stand as a testament to the hard work and dedication of our team in maintaining the highest standards of care and compliance.

**NDIS Quality
and Safeguards

Additionally, we are excited to share that SRS has been selected to participate in a WorkSafe project aimed at enhancing how healthcare services assist their staff in addressing bullying and harassment in the workplace. This initiative aligns with our commitment to cultivating a safe, inclusive, and respectful work environment. Being part of this project allows us to contribute to sector wide improvements while enriching our own workplace culture.

STAFF MILESTONES

Congratulations to the following team members for achieving milestone years of service with SRS. Your dedication, hard work, and commitment to providing excellent care have greatly contributed to the success and growth of SRS. We deeply appreciate your efforts and look forward to celebrating many more milestones with you.
