We've got you sorted these school holidays

Our popular School Holiday Program has wrapped up for Spring, with NDIS participants

enjoying a jam-packed schedule of fun, friendship and engaging activities over the two-week break.

The program was open to NDIS participants aged six to 18, creating opportunities to visit the Mildura Ambulance Station, take part in Wheelchair Basketball, not to mention cooling off at the Mildura Wave to name just a few of the great activities on offer!

A big thank you to all the venues and groups that hosted us over the past two weeks!

Stay tuned to our website and social media channels for more exciting social programs.

Check out Beauford heights!

Beauford Heights Supported Accommodation currently has a vacancy for an NDIS participant seeking independence, comfort, and connection.
